Dear Friend,

This year will mark the 31st consecutive year St. Catherine of Sweden Parish has served and been served through the Appalachia Summer Home Repair Program. Each summer our efforts in Preston County, West Virginia call us, both literally and figuratively, to build up the Kingdom. This year our group will be challenged by a variety of family homes in Appalachia each with distinctive needs and concerns that will be addressed by our group. Our mission team will work long, but humbling hours during the week with silent gratification coming from the support of those in need.

Prior to this weeklong experience we will spend our winter/spring months fund raising throughout the parish community. The money or gift cards (Lowe's or Wal-Mart) that we collect will be used to purchase building materials as well as funding transportation and housing expenses. In order to raise the necessary funds, we will be participating in flower sales and seeking donations from the community and businesses. Our mission depends upon the support and generosity of people like you and we would be extremely grateful for your assistance. We hope that you will take the time to consider supporting us in this worthwhile and charitable effort.

Thank you in advance for your prayers and support.

Sincerely Yours,

Appalachia Camper
